

Interested in Becoming A Part Of The Funnest Swim Family In South Jersey?

Join TideWater Aquatics Club!

We're a family run organization dedicated to providing a positive swim team experience to all our swimmers. Our highly trained and experienced coaching staff ensure that our swimmers operate in a welcoming family environment to participate on our team and develop lifelong friendships. Our program is inclusive to all athletes and our staff receives specialized etiquette and awareness training. Our practice setting fosters a love of the water and dedication to the sport. TideWater offers an opportunity to improve skills and achieve success at every level from novice to international swimmers, there are competitive and non-competitive options available.

Swim Team Groups & Monthly Pricing

Full Membership : (Competitive) - \$135/year

Flex Membership : (Non-competitive) - \$50/year

At TideWater we know that life is busy, so we offer a flexible practice schedules to best meet the needs of our families.

Water Spouts:

Age: 5-6

Cost: \$60/month

Practice: 2x per week (45 min each)

This nurturing introductory group focuses on the development of sound stroke mechanics. This group is for those swimmers who are looking for a year-round program to help develop the basic strokes needed to become a competitive swimmer. Swimmers should not have fear of the water and should be able to complete multiple laps (while wearing fins) doing basic freestyle motion. No instructor is in the water. So if your child cannot swim multiple laps on his/her own, then please see the info on our Swim School Lesson Program.

White Caps:

Age: 7-8

Cost: \$70/month

Practice: 2x per week (60 min each)

White Caps is designed for younger swimmers seeking to gain skill mastery, have varied competitive experiences, and participate in team-building activities. Swimmers must be able to swim 2 legal strokes and be comfortable in competition to enter this group. Stroke mechanics and race preparation are the aims of this group, by focusing on mastering the 4 competitive strokes, starts, turns, and finishes.

Riptides:

Age: 9-10

Cost: \$75/month

Practice: 3x per week (60 min each)

Rip Tides is designed for the novice swimmer. They must be able to swim 2 legal strokes to enter this group. Stroke mechanics and race preparation are the aims of this group by focusing on mastering the 4 competitive strokes, starts, turns, and finishes.

Cyclones:

Age: 11-12

Cost: \$115/month

Practice: 4x per week at Y and 1x per week at RiverWinds (80+/- min. each)

Cyclones is designed to develop proper stroke technique and introduce swimmers to training and competition. Swimmers will learn focus & development of competition & training goals. This group serves children who are exploring their swimming potential and preparing for high school or senior-level swimming. Cyclones swimmers should be able to swim all 4 strokes legally.
